

Bank of
Melbourne

Important update. Our Geelong Westfield branch is closing.

Over the past several years, we've seen many changes to how our customers are banking. More of our Geelong Westfield customers are choosing to do their personal and business banking online, via mobile app or by video appointments, rather than in-branch. With these changes, we've decided to permanently close our branch at Shop 1189/1190, Westfield Geelong, Geelong, VIC 3220 on **24 December 2024**. Rest assured, we remain committed to helping you securely take care of your day-to-day banking needs – locally, at home, or on the go. Please read below for more details or contact Peter Young (State Operations Manager) on 0403 283 461 for any further support or information.

For Commercial and Agribusiness customers, please contact your Relationship Manager.

Why is the Geelong Westfield branch closing?

Decisions to close branches are never made lightly. A number of factors are taken into consideration. For Geelong Westfield, there has been significant decrease in in-branch cash transactions as our customers move to more accessible personal and business banking options. Cash transactions can be completed at the nearby Westpac Geelong Branch located 550m away.

*Regular branch visits is defined as visiting the branch 3+ times for the period 1 October to 30 September each year, based on the Group's financial year reporting.

How are customers banking with us?

Our customers are now using more flexible and accessible banking options instead of banking in-branch.

How we are communicating this change to our customers and the community

We know how important it is that we communicate with you and your community.

As well as providing this fact sheet in branch and online, here's what else we do once a branch closure is announced:

- we notify the local Members of Parliament and local councils of the location where the branch is closing
- we notify customers by mail who are connected to the branch or have regularly transacted at the branch (or the ATM) in the last 6 months
- we also send an additional SMS notification to those customers who have regularly transacted at the branch (or the ATM) in the last 6 months, where we have a mobile number on file.
